

Ella Thuiner
Austrian
Swiss Work Permit C

CAREER SUMMARY

A professional with over 20 years of expertise in IT, banking, entrepreneurship, and leadership roles. Established a Swiss company driving cutting-edge financial solutions and initiated a Swiss banking advisory firm in the UK. Demonstrated resilience in navigating business challenges during the COVID-19 pandemic.

Currently serving as an independent advisor for financial institutions, showcasing strong communication skills and strategic insights. Noteworthy accomplishments include authoring a book with Springer Publishing House and contributing as a writer to the Huffington Post. A well-rounded individual with a passion for art and painting, adding a unique perspective to both personal and professional pursuits.

An ideal candidate for internal or external positions in relationship management, communication, project leader and business analyst/development within medium-sized or large companies.
